Every issue features:

- > Hunting
- > Shooting sports
- > Fishing
- > Lifestyle Articles Surrounding Celebrities
- > Gear
- > Travel/Destination
- > Food & Drink
- > Music

Each issue's editorial plan

is fluid based upon new trends, rising talents, industry news, debuting products, and overall opportunities that present themselves in the moment. Hook & Barrel is special in the sense that we maintain flexibility to capture the most intriguing and engaging content as it presents itself, rather than get fixated on a set calendar. Not to worry though, each issue has a seasonal theme around hunting, fishing, and shooting, activities that are prevalent at that time in society, holidays, and of course, the latest and greatest gear.
